# 28" COLLAPSIBLE CONE KIT

## OVERVIEW & SPECIFICATIONS

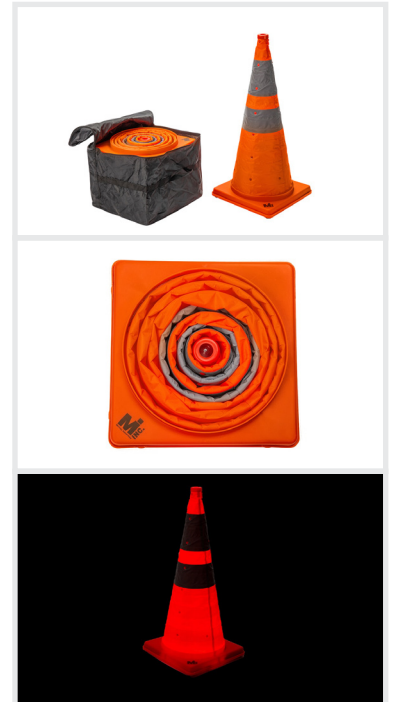

### GET A KIT OF 4 OR 5 CONES. INCLUDES LED LIGHTS & CARRY CASE

The collapsible cones offer all of the benefits of traditional traffic cones with the added benefits of compact storage, light weight, and flashing or steady burn hazard lighting.

Cones collapse for easy storage and transportation. Durable, lightweight vinyl construction. Sturdy bases prevent cones from moving due to turbulence from wind and passing vehicles. Dual-mode internal light lasts for 100,000 flashes or 36 hours of steady burn. Carrying bag fits four collapsed cones. Retro-reflective material makes cones highly visible at night.
