

CROWD CONTROL HANGING WEIGHT

CC-H-WEIGHT-18

Our rubber hanging weights are designed to significantly increase the stability of our standard Crowd Control Barricade. Features a built-in top carrying handle for quick and easy slid on installation. This product is a great addition when setting up barricades on low friction surfaces, in unpredictable windy weather conditions and even for extra weight to resist shifting from pedestrian leaning or pushing.

FEATURES & BENEFITS

- Custom fit to our Crowd Control Barricade
- Built-In carrying handle
- Tool-Free installation
- Durable rubber construction
- Stackable for storage
- One-year manufacturing defect warranty
